

## A Prayer for Soldiers in Training

**Heavenly Father:** I approach your throne of grace this day with praise in my heart for your great name. You Lord order the day and give reason and purpose to my life. I thank you Lord for the training I now endure. Your word enlightens my heart with hope and by your wisdom does my mind receive council.

I praise you Lord for strength and will. You have said through your Holy Ones of old that one person is fashioned by another, even as steel sharpens steel. Thank you for my fashioning. As all those who with set purpose higher than I can fathom mold me, and my companions who are with me, into instruments of your calling, grant us strength to endure.

Enable each, dear Lord, according to his or her purpose, the wisdom and knowledge to rise above the moment in victory. Give those who govern our day wisdom for our behalf, and temperance for our striving. It is you Lord who give strength and might and cunning to Your chosen; Your mighty men and woman of valor. For your glory we exert ourselves night and day so that our charge may rest in the safety of Your arms.

Thank you, my Lord, for this day of blessing. Thank you, Lord, for Your high and noble calling. Thank you for granting we who serve you opportunity to bring You glory.

In Jesus name I give you Glory and Praise. Amen
